

an essential guide
to members' benefits

Accountancyplus offers just the essential accounting services that your business needs, a simple monthly fixed fee with no nasty surprises.

Accountancyplus offers unique benefits to all its members by rewarding loyalty and offering discounts off monthly bills for referrals.

Accounts & Tax Returns

We shall prepare your accounts and file your self assessment tax return form with HMRC and inform you of your tax bill.

Once we have prepared your accounts you will be given your own personal accountant where you can contact them and consult with them at no extra cost.

Our aim at Accountancyplus is to relieve you of the stress and strain of your accounts by offering you a simple low cost monthly solution in which you are in full control. There are no contracts to sign or nasty surprises and you can benefit from our unique customer benefits that enable you to save money on your monthly bill.

Bookkeeping

We offer a bespoke bookkeeping service that only addresses the accounting services that you really need, with no hidden or unnecessary extras. Offering initial advice to address any issues is all part of our bookkeeping service.

VAT

We are trained to ensure that all allowable expenses are claimed for and keeping your VAT bill to a minimum.

Payroll

Accountancyplus offer payroll services should your business require it as an additional service. As always with Accountancyplus this is a cost effective service which will count as one of the additional services that can help to lower your overall accountancy bill.

Consultation

You can contact us for help queries, or to discuss any matter. This is included in the package selected.

Our aim at Accountancyplus is to relieve you of the stress and strain of running your business by offering you a simple low cost monthly solution in which you are in full control.
